

To whom it may concern,

17, 10, 2019

If you have an aircraft to sell, please consider this a letter of recommendation for Omni International Jet Trading.

We are a textile company based in Turkey and we listed our 2016 Beech King Air 250 SN BY-273 (TC-OZK) with Mr. Gokcehan Dace and Mr. Wayne Hilmer Jr. At the start, we were pleased with the advertising materials and market analysis they provided

Within 30 days, they found us a retail end user buyer based in Germany and negotiated a good price. The purchase agreement they prepared was precise and protected us. Even though they are an American broker, they guided us through the entire process including exportation and deregistration from Turkey to Germany. Throughout the process, I felt they were looking out for our best interests.

It is with confidence that I recommend OmniJet to others looking to sell their aircraft.

Sincerely,

Mr. Ozhan Bingol – Director of Operations  
Tekstil Pazarlama ve Satış Operasyonları Direktörü
